UPDATES:

Update #1
If you are being offered a contract for furnishing items in the *General Home Equipment and Related Supplies and Accessories* product category, you should be aware that the following item is being reclassified to the capped rental payment class effective July 1, 2016, in accordance with a final rule published on December 2, 2013 (78 FR 72224): E0197

The single payment amount (SPA) calculated for this item has been established in accordance with regulations at 42 CFR 414.408(h)(1), whereby payment for capped rental DME is made in an amount equal to 10 percent of the SPA for purchase of new equipment for each of the first three months, and 7.5 percent of the SPA for purchase of new equipment for months 4 through 13.

Update #2
HCPCS E0628 (Separate Seat Lift Mechanism for Use With Patient Owned Furniture-Electric) is no longer effective for claims with dates of service on or after January 1, 2017.
