UPDATES:

Update #1
If you are being offered a contract for furnishing items in the *General Home Equipment and Related Supplies and Accessories* product category, you should be aware that the following item is being reclassified to the capped rental payment class effective July 1, 2016, in accordance with a final rule published on December 2, 2013 (78 FR 72224): E0197

The single payment amount (SPA) calculated for this item has been established in accordance with regulations at 42 CFR 414.408(h)(1), whereby payment for capped rental DME is made in an amount equal to 10 percent of the SPA for purchase of new equipment for each of the first three months, and 7.5 percent of the SPA for purchase of new equipment for months 4 through 13.

Update #2
HCPCS E0628 (Separate Seat Lift Mechanism for Use with Patient Owned Furniture-Electric) is no longer effective for claims with dates of service on or after January 1, 2017.

Single Payment Amounts
Support Surfaces (Group 1 & 2)
West Region

IMPORTANT: If you are being offered a contract for furnishing items in the *General Home Equipment and Related Supplies and Accessories* product category, you should be aware that the following item is being reclassified to the capped rental payment class effective July 1, 2016, in accordance with a final rule published on December 2, 2013 (78 FR 72224):

E0197

The single payment amount (SPA) calculated for this item has been established in accordance with regulations at 42 CFR 414.408(h)(1), whereby payment for capped rental DME is made in an amount equal to 10 percent of the SPA for purchase of new equipment for each of the first three months, and 7.5 percent of the SPA for purchase of new equipment for months 4 through 13.

IMPORTANT UPDATES:

1) HCPCS code E0147 (walker, heavy duty, multiple braking system, variable wheel resistance) has been removed from Round 2 Recompete of the DMEPOS Competitive Bidding Program.

2) IMPORTANT: If you are being offered a contract for furnishing items in the *Standard Mobility Equipment and Related Accessories* product category, you should be aware that the following items are being reclassified to the capped rental payment class effective July 1, 2016, in accordance with a final rule published on December 2, 2013 (78 FR 72224):

E0140 E0149 E0985 E1020 E1028 E2228 E2368 E2369 E2370 E2375 K0015 K0070 E0955 E0197

The single payment amounts (SPAs) calculated for these items have been established in accordance with regulations at 42 CFR 414.408(h)(1), whereby payment for capped rental DME is made in an amount equal to 10 percent of the SPA for purchase of new equipment for each of the first three months, and 7.5 percent of the SPA for purchase of new equipment for months 4 through 13.

West Region

IMPORTANT UPDATES:

1) HCPCS code E0147 (walker, heavy duty, multiple braking system, variable wheel resistance) has been removed from Round 2 Recompete of the DMEPOS Competitive Bidding Program.

2) IMPORTANT: If you are being offered a contract for furnishing items in the *Standard Mobility Equipment and Related Accessories* product category, you should be aware that the following items are being reclassified to the capped rental payment class effective July 1, 2016, in accordance with a final rule published on December 2, 2013 (78 FR 72224):

E0140 E0149 E0985 E1020 E1028 E2228 E2368 E2369 E2370 E2375 K0015 K0070 E0955 E0197

The single payment amounts (SPAs) calculated for these items have been established in accordance with regulations at 42 CFR 414.408(h)(1), whereby payment for capped rental DME is made in an amount equal to 10 percent of the SPA for purchase of new equipment for each of the first three months, and 7.5 percent of the SPA for purchase of new equipment for months 4 through 13.

IMPORTANT UPDATES:

1) HCPCS code E0147 (walker, heavy duty, multiple braking system, variable wheel resistance) has been removed from Round 2 Recompete of the DMEPOS Competitive Bidding Program.

2) IMPORTANT: If you are being offered a contract for furnishing items in the *Standard Mobility Equipment and Related Accessories* product category, you should be aware that the following items are being reclassified to the capped rental payment class effective July 1, 2016, in accordance with a final rule published on December 2, 2013 (78 FR 72224):

E0140 E0149 E0985 E1020 E1028 E2228 E2368 E2369 E2370 E2375 K0015 K0070 E0955 E0197

The single payment amounts (SPAs) calculated for these items have been established in accordance with regulations at 42 CFR 414.408(h)(1), whereby payment for capped rental DME is made in an amount equal to 10 percent of the SPA for purchase of new equipment for each of the first three months, and 7.5 percent of the SPA for purchase of new equipment for months 4 through 13.

IMPORTANT UPDATES:

1) HCPCS code E0147 (walker, heavy duty, multiple braking system, variable wheel resistance) has been removed from Round 2 Recompete of the DMEPOS Competitive Bidding Program.

2) IMPORTANT: If you are being offered a contract for furnishing items in the *Standard Mobility Equipment and Related Accessories* product category, you should be aware that the following items are being reclassified to the capped rental payment class effective July 1, 2016, in accordance with a final rule published on December 2, 2013 (78 FR 72224):

E0140 E0149 E0985 E1020 E1028 E2228 E2368 E2369 E2370 E2375 K0015 K0070 E0955 E0197

The single payment amounts (SPAs) calculated for these items have been established in accordance with regulations at 42 CFR 414.408(h)(1), whereby payment for capped rental DME is made in an amount equal to 10 percent of the SPA for purchase of new equipment for each of the first three months, and 7.5 percent of the SPA for purchase of new equipment for months 4 through 13.

IMPORTANT UPDATES:

1) HCPCS code E0147 (walker, heavy duty, multiple braking system, variable wheel resistance) has been removed from Round 2 Recompete of the DMEPOS Competitive Bidding Program.

2) IMPORTANT: If you are being offered a contract for furnishing items in the *Standard Mobility Equipment and Related Accessories* product category, you should be aware that the following items are being reclassified to the capped rental payment class effective July 1, 2016, in accordance with a final rule published on December 2, 2013 (78 FR 72224):

E0140 E0149 E0985 E1020 E1028 E2228 E2368 E2369 E2370 E2375 K0015 K0070 E0955 E0197

The single payment amounts (SPAs) calculated for these items have been established in accordance with regulations at 42 CFR 414.408(h)(1), whereby payment for capped rental DME is made in an amount equal to 10 percent of the SPA for purchase of new equipment for each of the first three months, and 7.5 percent of the SPA for purchase of new equipment for months 4 through 13.

IMPORTANT UPDATES:

1) HCPCS code E0147 (walker, heavy duty, multiple braking system, variable wheel resistance) has been removed from Round 2 Recompete of the DMEPOS Competitive Bidding Program.

2) IMPORTANT: If you are being offered a contract for furnishing items in the *Standard Mobility Equipment and Related Accessories* product category, you should be aware that the following items are being reclassified to the capped rental payment class effective July 1, 2016, in accordance with a final rule published on December 2, 2013 (78 FR 72224):

E0140 E0149 E0985 E1020 E1028 E2228 E2368 E2369 E2370 E2375 K0015 K0070 E0955 E0197

The single payment amounts (SPAs) calculated for these items have been established in accordance with regulations at 42 CFR 414.408(h)(1), whereby payment for capped rental DME is made in an amount equal to 10 percent of the SPA for purchase of new equipment for each of the first three months, and 7.5 percent of the SPA for purchase of new equipment for months 4 through 13.

IMPORTANT UPDATES:

1) HCPCS code E0147 (walker, heavy duty, multiple braking system, variable wheel resistance) has been removed from Round 2 Recompete of the DMEPOS Competitive Bidding Program.

2) IMPORTANT: If you are being offered a contract for furnishing items in the *Standard Mobility Equipment and Related Accessories* product category, you should be aware that the following items are being reclassified to the capped rental payment class effective July 1, 2016, in accordance with a final rule published on December 2, 2013 (78 FR 72224):

E0140 E0149 E0985 E1020 E1028 E2228 E2368 E2369 E2370 E2375 K0015 K0070 E0955 E0197

The single payment amounts (SPAs) calculated for these items have been established in accordance with regulations at 42 CFR 414.408(h)(1), whereby payment for capped rental DME is made in an amount equal to 10 percent of the SPA for purchase of new equipment for each of the first three months, and 7.5 percent of the SPA for purchase of new equipment for months 4 through 13.

IMPORTANT UPDATES:

1) HCPCS code E0147 (walker, heavy duty, multiple braking system, variable wheel resistance) has been removed from Round 2 Recompete of the DMEPOS Competitive Bidding Program.

2) IMPORTANT: If you are being offered a contract for furnishing items in the *Standard Mobility Equipment and Related Accessories* product category, you should be aware that the following items are being reclassified to the capped rental payment class effective July 1, 2016, in accordance with a final rule published on December 2, 2013 (78 FR 72224):

E0140 E0149 E0985 E1020 E1028 E2228 E2368 E2369 E2370 E2375 K0015 K0070 E0955 E0197

The single payment amounts (SPAs) calculated for these items have been established in accordance with regulations at 42 CFR 414.408(h)(1), whereby payment for capped rental DME is made in an amount equal to 10 percent of the SPA for purchase of new equipment for each of the first three months, and 7.5 percent of the SPA for purchase of new equipment for months 4 through 13.
